

Fall 2024 Take-Home Qualifying Exam Worksheet

Name: _____

Directions: This worksheet is to be completed by the student and the advisor and submitted with the Qualifying Exam Registration Form.

*Note: The written exam may begin as early as **Monday, September 9** and must be completed by **Friday, October 26**. Unless otherwise noted, “days” refers to days that Wayne State University is in session Monday through Friday. Calendar days refer to consecutive days including Saturdays and Sundays and days when WSU is not in session.*

1. When will my take-home exam period begin and end?

a. Identify the first date of your exam period: _____

You must start the exam between September 9 and October 8.

b. Determine **18 consecutive calendar days** from the date listed above and enter the last date of your exam period: _____

You must end the exam between September 26 and October 25.

When planning the exam sessions below take into account the time frame above (the first and last date of your exam period). Following the conclusion of Exam Session 1, you may take a 1 or 2- day break before Exam Session 2 must begin.

2. Session 1: Questions and Responses

a. You will receive questions from your advisor (or his/her designee) at the agreed upon date and time (no later than 5:00 p.m.). *Note: The date listed below is the same date as 1a.*

Month

Day

Time

- b. You will submit your responses to your advisor (or his/her designee) on the same day of the following week at the agreed upon time (no later than 5:00 p.m.):
